

Meeting Planner Benefits

Sea Trail Golf Resort & Convention Center is now offering meeting planners 20,000* reward points for definite group bookings, with a minimum of 175 room nights for an event.

Stash is an entirely new kind of hotel rewards program, one that's dedicated to the spirit of adventurous, meaningful travel. With Stash, members earn and redeem points for free nights at some of the best independent hotels in the U.S., from landmark historic inns to boutique gems to top-rated resorts.

Stash provides several benefits for meeting planners:

One-of-a-kind

Why subject your attendees to big-chain sameness, meeting after meeting? Surprise them with distinctive venues that offer enriching guest experiences. Stash partner hotels are all independent, one-of-a-kind properties, with design and spirit to reflect their locales.

Fast

Stash was designed to provide free nights ridiculously fast. Members earn 5 points per dollar spent on eligible room rates, earning a free night in as little as 5 stays...and sometimes faster. Meeting planners can earn points, too. Ask your hotel representative for details.

Unchained

With Stash, you aren't limited to just one type of hotel for your events. Stash partner hotels reflect a wide breadth of distinct brands to satisfy the needs of different meeting occasions.

Flexible

You can collect and redeem Stash points from the events you plan, or you can use them to reward those who help you. You may choose to give them to meeting attendees as an incentive to book early, complete a survey, or anything else that helps meet your goals.

*20,000 reward points will be given for group bookings that have a minimum of 175 actualized rooms. This offer is a one time promotion.
