

June 2, 2022

We are pleased to announce the arrival of Doug Donner to the Sea Trail team as Director of Golf! Doug will join us on Friday, June 3, 2022 and will spend his first few days getting acclimated with the operations at Sea Trail.

Doug was born in Hays, KS and started his passion for golf at age 5. He attended Fort Hays State University until transferring into the Golf Management Program at Coastal Carolina University in Conway, SC. After graduating, Doug started his golf career as the Director of Instruction at International Club Golf Course. After several years of teaching, he became the General Manager/Head Golf Professional of International Club and later oversaw all golf operations in the Myrtle Beach market for Davis owned properties and became General Manager for Thistle Golf Club as well. Doug's familiarity with the golf business in the Myrtle Beach area, along with his great love for golf, will be a great asset for Sea Trail.

While away from the golf course, Doug enjoys spending time with his wife Amanda and daughter Kyleigh.

Doug's office will be located in the Jones/Byrd Clubhouse. Please join us in welcoming Doug to our great Sea Trail Golf Club family!
